Glaphorn C.E. Lower School is a small, friendly village school that educates children between the ages of four and nine years old. We aim to provide an excellent education for our children within a secure and caring environment. We are a forward-looking school that is always striving to improve itself whilst maintaining the traditions and strengths that make our school special.

After major building work as a result of a fire in February 2006, the school buildings are modern and spacious. The children benefit from a ratio of one computer for every three pupils and every class has an interactive whiteboard. The school has a large, well-stocked library and a separate room for groups of children to work in with support staff. These excellent, up-to-date facilities make a wonderful learning environment for all our pupils.

If you would like to find out more about our school, have a look at our school website at www.glaphornschool.uk.org or contact us.

Head Teacher: K. Joyce, B.A., P.G.C.E., N.P.Q.H
